

Executive Coach and Facilitator, Shanghai

About this Coach

She is an executive coach and facilitator, passionate to work with managers and leaders who wish to expand their potential to achieve the best in their professional and personal life.

She was involved in Research and Innovation while working over 17 years for multinational companies. She gained extensive experience as an international leader in project management, product development, partnership and alliance, and strategic organizational planning.

As executive coach and facilitator, she cares about building a trustful partnership with individuals or organizations to support them in achieving excellence. She focuses on working with leaders on:

- Developing awareness of their talents and use them mindfully
- Revealing ways forward to express themselves best in their work and life
- Applying the learning in a sustainable direction to continue their journey towards excellence.

She is also an active member of a non-profit organization providing career coaching and mentoring to women to support them in their career development.
