

Executive Coach & Facilitator, Kuala Lumpur

About this Coach

He is a passionate coach, facilitator & mentor. He brings with him over a decade of coaching experience and has touched the lives of thousands from diverse industries across the region in his work as Executive Coach & Program Facilitator. He primarily focusses on working with senior leaders in improving performance and developing talents.

He is also a senior mentor coach to professional and organizational coaches in the region – a role performed by only a select few - preparing them for the coaching credentialing process with the International Coach Federation.

Additionally, he designs, facilitates and develops Sales Leadership programs to build a sales coaching culture resulting in performance improvement. He also brings his sales expertise in building sales professionals through team coaching where he helps them identify self-limiting beliefs leading to a transformation of their performance. He is also an adjunct coach in with the ICLIF Leadership Centre & the Melbourne Business School.
