

Executive Coach and Facilitator, Singapore

About this Coach

She is an executive coach who specialises in supporting individuals as they negotiate work place challenges and changing operational environments.

She has had extensive leadership experience in small to large consultancy led environments and has worked with clients drawn from the financial services, banking, manufacturing, professional and public services arenas.

As an executive coach she offers a strong commercial mindset which enables her to identify with the challenges organizations and their executives are facing as they strive to meet challenging KPIs in a fast moving and competitive market place.
